## 27 Cairngorm Mountain Railway

Cairngorm Mountain Funicular Railway transports visitors to the Ptarmigan Top Station, nestled just below the summit of Cairngorm. The Top station offers spectacular views from the terrace, the Shop @ the Top, panoramic Ptarmigan restaurant and a mountain exhibition. The railway provides an opportunity for all ages and abilities to enjoy the Cairngorm Mountain experience in comfort and safety.

They are open daily throughout the year (except Christmas Day and for scheduled maintenance in November. The November shutdown normally lasts 10 days - please check the web site for detailed dates closer to your visit). The journey to the top takes approximately 8 minutes and once you reach the Ptarmigan Station you can weather watch from the viewing terrace. Visitor guides are on hand from May through to October and they will be happy to identify distant summits and tell you more about the history, geology and lore of this area and how it constantly changes as the seasons roll by.
