

## Welcome to your timetable guide for Stagecoach Service

Service D was one of 43 English Kickstart projects developed by bus operators in partnership with local authorities and the Department for Transport in 2006. The aim of Kickstart is to encourage more and more local residents to leave their car at home and travel instead on frequent, low-floor buses.

As a result, we purchased 7 new low-floor buses for Service D, with step-free entrances. We also made the following frequency and route enhancements:

-  All buses now serve Hatherley and Warden Hill, incorporated into one circular route, rather than two separate services, leading to the withdrawal of Service E.
-  10-minute Monday-Saturday daytime frequency across the entire route.
-  30-minute evening and Sunday frequency across the entire route.

We look forward to welcoming you on board soon!
