## Newark Bus Station Temporary Closure

From May 29 2010

**A new bus station is to be constructed on the current Lombard Street site as part of ASDA's Potterdyke redevelopment. This means that the existing bus station will close on the evening of Saturday May 29, 2010.**

During construction works temporary arrangements will be made to relocate services to the bus stops on-street at Bar Gate, Castle Gate, Lombard Street and the Town Wharf.

This leaflet provides information to enable passengers to find their new stop. Bus stewards will be available on street during the first week of the changeover to help guide people to the right stop.

During the temporary closure of the bus station buses will use a number of stops on street around Newark town centre.
