

Welcome to your guide to Service 5.

Since your last timetable dated 16 April 2006, we have made some changes which will take effect from Sunday 22 April 2007. These are as follows:

- The journey at 0743 from Gloucester to Upton St Leonards and back to Gloucester has been re-timed and will now depart at 0748 and run 5 minutes LATER throughout.
 - Evening and Sunday journeys on Service 5 will normally be operated by low floor buses. These buses have special areas for wheelchairs and buggies, making access easy for the less mobile, parents with young children and people with heavy shopping. These journeys are marked with EA within the timetable section.
- Inside this guide you will find a map of the route including a city centre plan and where to catch your bus along the route. Below are some sample fares and money saving ideas for regular travellers.
