Changes to Service 18 from Sunday 31 August 2008

To improve reliability, the timetable will be revised. To reduce the harmful effects of serious traffic congestion in the South Gosforth and Longbenton areas, most Monday to Friday peak time buses will run to new timetables between Freeman Hospital and Benton Estate. During these times, Service 18 will no longer operate between Benton Estate and Forest Hall. Customers travelling between these areas are advised to catch Service 63, every 15 minutes. To reduce the extent of losses sustained during evening and Sunday times, buses will no longer operate between Wallsend and Walker, or between Four Lane Ends and Forest Hall. These Service 18 journeys will also no longer serve St. Peter's Basin or Stoneleigh Avenue in Longbenton (buses will instead operate direct via West Farm Avenue). To minimise congestion, at Byker Morrisons, buses towards Four Lane Ends will observe a new stop on Shields Road.

NOTES:
 SCH This journey operates Schooldays only
 SH This journey operates School Holidays only.

Please see next page for details of Saturday and Sunday Service 18 buses
