Introducing the all new South Tyneside Tourist Bus from Sunday 6 July 2008

With the assistance of Nexus and the financial support of South Tyneside Council, we are delighted that we'll be operating the South Tyneside Tourist Bus during the 2008 School Summer Holidays - and this year, the bus will be an open top vehicle too!

This unique hourly service links all the major tourist attractions throughout South Tyneside, providing loads of opportunities for great family days out. As well as serving the attractions listed above, this special service also observes all "normal" bus stops which it passes too, so you can join the bus at a point close to you!

For travel information contact Traveline on 0871 200 22 33*

**Calls cost 10p per min from a BT landline, calls from other service providers or from mobiles may vary.*
