Inside this bus guide you will find a map of the route including a town centre plan and where to catch your bus along the route. You will also find some examples of fares and money saving ideas for regular travellers.

Some journeys on Mondays to Saturdays and all journeys on Sundays will normally be operated by low floor easy access buses. These buses have special areas for buggies, making access easy for the less mobile, parents with young children and people with heavy shopping. These journeys are marked with EA within the timetable section.

NEW! As a result of some unreliability and the route change, all journeys have been retimed, which has led to the frequency being reduced to every 30 minutes.

NEW! Following some requests from customers, the route has been altered so that most journeys serve both Swindon Village and Gallagher Retail Park.

Since your last timetable dated 11 September 2006, we have made some changes which will take effect from Sunday 15 April 2007. These are as follows:
