

Welcome to your guide to Service 41.

- Following four years of passenger growth, we increased the frequency of this service last year to every 15 minutes Monday to Friday with no change to the time of buses on Saturdays and Sundays.
- To cater for increased congestion and to improve reliability most journeys have recovery time in Tewkesbury High Street.
- Ride upstairs! Additional capacity is normally provided on Saturdays by using low floor double deck buses.
- Inside this bus guide you will find a map of the route and where to catch your bus along the route. You will also find some sample fares and money saving ideas for regular travellers.
- All journeys are normally operated by low-floor Easy Access buses. These buses have special areas for pushchairs and make access easier for the less mobile, parents with young children and people with heavy shopping.
