

Fares for children and students...

Under 5

Up to 4 children under the age of 5 can travel free when accompanied by a responsible passenger, providing that they do not occupy a seat to the exclusion of a fare paying passenger or are seated in a buggy in an appropriate space on the vehicle.

Children from 5 up to 15 years (including those under 5 not eligible for free travel) are charged at two thirds of the adult fare rounded up to the nearest 5p on any single or return fare.

Children aged between 14 & 15 may be required to satisfy the driver as to their age when requesting child fares. A 'discount ID' card can be issued, free of charge, to assist children proving their entitlement. The 'discount ID' can also be issued to children younger than 14 if required - see website or contact us for details.

Citizenships, passports, foreign identity cards and other operators ID cards are also accepted as proof of age.

West Sussex County Council Young Persons concessionary fare scheme (Three in One)

This 'three in one' scheme offers discounted bus travel for two different categories : those under 16 and for those aged 16-19 in full time education. Those under 16 get a further discount (equivalent to 25% of the adult fare) over existing child single, return & weekly fares. Those aged 16-19 get a 50% discount on adult single, return & weekly fares. The discounts are available to cardholders at any time on journeys starting or finishing within West Sussex.

Visit www.westsussex.gov.uk for details.
