Any day tickets purchased on this "Blue Route" are also valid on the main "Red Route" tour and vice versa. Stops 1, 5, 9, 10 & 11 can be used to change on to the red route. Please see separate leaflet for details of the red route tour.

Ouseburn Tour: This is our special tour operating between 22 June and 8 September to show you the sights and attractions of Newcastle and to support the Great Exhibition of the North. Whilst we'll do everything we can to operate the route and times shown, this service may be varied in the event of road closures.

This service will be operated by open-top vehicles whenever possible, but due to operational reasons closed-top buses (without commentary) may be required to substitute.

*Route 100 to Metrocentre does not operate as part of the City Sightseeing service. A separate Stagecoach bus ticket must be purchased.
