

Welcome to this useful guide to routes S1 & S2, the luxurious bus service from Stagecoach.

Stagecoach Gold is a guarantee of quality - from obvious touches, like the hand-stitched Italian leather seats, to emission-busting Euro 5 engines.

With more and more of you finding the bus an easy and attractive option for getting into Oxford, we believe you deserve that touch of luxury. And it's good to know that by using the bus you are doing your bit to help the planet.

Our drivers (in smart new Stagecoach Gold uniforms) are regulars on these routes, so they really know the area and are happy to provide help or local advice whenever you need it. They know that their job is much more than just driving.

And to top it all off we also provide free Wi-Fi, so you can use your laptop on the move.

All buses are wheelchair and buggy accessible.

Welcome aboard.

We'd like to introduce Trevor Bayliss. Trevor's your local bus manager for these routes. His job is to keep things running smoothly and keep customers happy.

He's often out and about on the bus, and will be happy to answer any questions you may have.

or contact him in the office.

Minster Lovell Hall

Minster Lovell Hall, a romantic ruined manor house beside the River Windrush, was built by Lord William Lovell around 1440. Francis Lovell, his grandson, fought alongside King Richard III at the Battle of Bosworth in 1485, where the king was killed.

After the battle, Francis was declared guilty of treason and his lands reverted to the Crown. The Manor was bought by Sir Thomas Coke in 1602, but his descendent, Thomas Coke, Earl of Leicester, moved to a new house in Holkham in Norfolk in 1747, and Minster Lovell fell into ruin.

It's owned by English Heritage, open any reasonable time and admission is free.
