Stagecoach buses to St Peter's Catholic School, Guildford Terms & Conditions 2020/21

Services PT1 to PT5 are operated subject to the standard Stagecoach Conditions of Carriage, with the following amendments/additions:

Bus Routes

1. Services PT1 to PT5 are services operated by Stagecoach solely for students attending St Peter's School, Guildford. Members of the public are not permitted to travel on these routes. The service is not commissioned by the school and is operated on a commercial basis by Stagecoach as an external bus service provider.
2. Services PT1 to PT5 have fixed, registered routes which must be adhered to. No unauthorised deviations from the route (e.g. to provide closer pick-ups or drop-offs) can be made. Stagecoach welcome all feedback regarding the routes to ensure that the school bus network is fit for purpose and meets students' needs. Any changes to the routes are likely to take place only at the start of an academic year, and will be at Stagecoach's discretion.
3. Full timetables for the services can be found in the St Peter's School Bus Guide and online at **www.stagecoachbus.com/stpeters**. Students are advised to check the timetable carefully and to arrive at the bus stop at least five minutes before the bus is due to depart.

Ticket Validity

4. Students can purchase annual tickets which allow travel for one academic year (September 2020 to July 2021). Annual tickets guarantee a seat on the chosen route.
5. Please note that Stagecoach daily or period tickets, including Dayrider, Megarider, Termrider or Unirider tickets, are **NOT** valid for travel on services PT1 to PT5.
6. There is no reimbursement/recompense for days when travel is not used, days of sickness, or for inset/training days.
7. Annual tickets are allocated to one specific route and are valid only on that route. The route to which the ticket applies can be changed providing there is seating capacity on the alternative route.
8. Single and return tickets can be purchased from the driver if there are unallocated seats on the bus. If any or all of the bus routes becomes fully subscribed with annual ticket holders, we may at our discretion remove the fare-paying facility on some or all of the routes. In this instance we would communicate this to students/parents via the school and online at www.stagecoachbus.com/stpeters.
9. Students must carry a valid ticket at all times when using the service.
10. Tickets must not be used by anyone other than the ticket holder to whom it has been issued. The use of another student's ticket or the lending of a ticket to another student may result in the student(s) being prohibited from using the service.

Allocation of Spaces

11. Applications for annual tickets will be dealt with strictly in order of receipt.
12. Whilst we will endeavour to ensure there is sufficient capacity for all students requiring travel, we will not allow the number of annual tickets issued to exceed the seated capacity on each route. In the event of an excess amount of applications for a specific route or from a specific area, we will look to see if we can increase the bus provision or divert an alternative route, but please note this cannot be guaranteed.
13. If there is no capacity on the requested route, we will try to offer a seat on an alternative route if appropriate. If this is not appropriate or possible, we will keep a waiting list and will contact you should a space become available.
