

Area 1 Rail Replacement, SL1/SL1a/SL1b Timetable 26 May – 15 June 2018

Notes:

26 – 28 May only: Y1 replacement bus cannot run 26-28 May due to Middlewood Road closure. SL1/SL1a is the only alternative route on these dates. Extra services (SL1b) will run between Hillsborough and Oughtibridge only on 26 – 28 May to provide extra connections for yellow trams where SL1/SL1a has a lower frequency.

From 29 May, the Y1 replacement bus service will be able to run connecting with all yellow trams, removing the need for the extra SL1b service. The SL1b will be withdrawn following end of service 28 May. See the Area 1 leaflet for Y1 timetable.

All connections from tram to bus are from yellow route services. Some connections from bus to tram may link to an earlier blue route service.

Journey times may take a bit longer than usual and bus times may differ to usual tram times. Check your journey before you travel.

Saturday 26 May only – SL1b extra services. Hillsborough – Oughtibridge – Hillsborough
