

Engineering Works

Sunday 29 January 2023

To allow essential track works to take place, there will be no service between Sheffield Station, Halfway and Herdings Park after around 21:00 on Sunday 29 January 2023.

Services on the BLUE and PURPLE routes will continue to operate as advertised during the day, until the following times;

- Last service from Malin Bridge at 20:26 through to Halfway.
- The 20:56 service from Malin Bridge will operate to Herdings Park, returning to Cricket Inn Road via Cathedral at 21:44
- The 21:26, 21:56, 22:26 and 22:56 services from Malin Bridge will terminate at Sheffield Station
- The 22:00 service from Herdings Park will depart at the earlier time of 21:51, operating to Cricket Inn Road via Cathedral.
- Later services on BLUE and PURPLE will not operate. Please see the timetable for full details or at **[supertram.com](https://www.supertram.com)**

Valid tram tickets will be accepted on local bus services operating in the affected areas. Services include the 120 between Halfway, Crystal Peaks, Manor Top and City. For journeys to and from Gleadless Townend and White Lane, the 51 and for Herdings, the 11.

For other journey options and to plan your journey, visit **travelsouthyorkshire.com** or call Traveline on **01709-515151**.

Replacement bus services will not operate in the areas that trams cannot operate.

A normal service (to the current published timetables) will resume on all routes from Monday 30 January.
