

WELCOME!

To Stagecoach Supertram, Sheffield and Rotherham's light rail system!

We run a regular service 7 days a week that is user friendly, comfortable and reliable.

Our trams operate over four routes throughout Sheffield and Rotherham, and all have a conductor on board to sell tickets and offer travel advice. Our sister bus company, Stagecoach Yorkshire, supplements the tram network and tickets covering both tram and bus are available.

Visit supertram.com for the latest tram timetables.

TRAM TRAIN

Tram Train is our newest service operating between Sheffield Cathedral and Rotherham Parkgate via Rotherham Central.

The Tram Train Pilot is the first in the UK for operating a vehicle on both the Supertram light rail system and the heavy rail system managed by Network Rail.

The service operates from Rotherham Parkgate to Sheffield Cathedral via the Supertram route to Meadowhall South / Tinsley tram stop, and then via Rotherham Central station to a new tram stop at Rotherham Parkgate.

There are 3 services an hour, and the end-to-end journey time is just 27 minutes. For the full timetable visit supertram.com
