

STAY SAFE

Sheffield to Rotherham Tram Train Service

do you know the difference
between the tramway and
railway?...it's important

Our informative presentation helps children and vulnerable adults understand the different rules and stay safe on both systems while aiming to:

- **raises awareness** and **knowledge** whilst delivering **key safety messages**
- **help identify** and **avoid potential hazards**
- **ensure** they have a **safe** and **pleasant experience** on and around Supertram

The presentation is aimed at children around the ages of 5-10.

If you would like us to visit your school or organisation to talk about the Tram Train service in your area please contact us at supertram.enquiries@supertram.com or call our Helpline on **0114 272 8282**.
