

TRAM TRAIN ENABLING WORKS

SERVICE ALTERATIONS

Friday 20th April - Monday 23rd April 2018

Between Friday 20th April and Monday 23rd April, work is being carried out in the Tinsley area to connect the Supertram and Network Rail overhead power lines in preparation for Tram Train services to Rotherham later this year.

During this time we are also taking the opportunity to carry out track replacement work at Shirland Lane near Attercliffe tram stop.

Yellow route trams which normally run to Meadowhall Interchange will terminate at Cricket Inn Road and buses will replace trams with a dedicated service providing a connection from Fitzalan Square tram stop to Meadowhall Interchange following the tram route as near as possible.

On Sunday the Purple route will only operate between Herdings Park and Cathedral on a revised timetable. A normal tram timetable will apply to all services on the Blue route and on the Yellow route between Middlewood and Cricket Inn Road.
