For students who will get dedicated school bus transport then please note the following:

- Social distancing guidance will not apply to dedicated school transport.
- Guidance states face coverings should be worn by those over 11 years of age who are not exempt. But we encourage younger children to also wear a face covering if possible. Please ensure they fit correctly and cover the mouth and nose.
- If transport is shared with students from another school, then students should sit with others from their own school and bubble where possible and leave space between themselves and the students from the other school where possible.
- Students should sit with others from their year group or bubble if possible. This is because students will not be sharing the school bus with members of the general public and will generally, or mostly, be with the same group of students each day.
